1 "Immunity for Rescuers" includes people licensed to practice medicine, surgery, or dentistry, or who are licensed as Registered or practical nurses, or people who are medical technicians.

2 "Immunity for Rescuers" includes any hospital for which the patient enters for medical care or hospital employees who provides medical care.

3."Immunity for Rescuers" includes any person who lacks AED training, but who has access to an AED and uses it in good faith in an emergency as an ordinary prudent person would have done in the same or similar circumstances.
